the finding of his dead body in the Roanoke

she record temperament, and she almost broke down while being questioned by the police. She desired that she had struck Annie and I went to school together, "an he said, "and we used to pay after hours, as he said, "and we used to pay after hours, as he said, "and we used to pay after hours, as he said, "and we went us he house, When she came out again we had shother pull, and then she went back. I did not hit her on the stomach. Levey, of the Twelfth Precinct, questioned the dead girl's step-fatter least night, and he told a story to the effect that Annie's injuries had been received that Annie's injuries had been received that Annie's injuries had been received that his step daughter had been an injuried of pais in her stomach. Errenstein alleges that the stomach by a boy, who was jealous because she had received more care and better victuals than he.

The father says the sirl's body was then swolen to almost twice its natural size and the child very well. It would be difficult to imagine a woman more surprised than she picture of heeling and was examined by a book of the dead grid at which the theory of Annie having been kicked. "There is not a word of truth in it, "Mrs. Alexander declared. "The girl came here at the request of Coroner Levy, and we kept her three months without receiving one cent for her board. When she was examined by the said she request of before one here. Coroner Levy saw the girl several times at the sequent of the coroner Levy, and we kept her three months without receiving one cent for her having been kicked or injured the child very well. It would be difficult to imagine a woman more surprised than the picture of heeling and was examined by the child very well. It would be difficult to imagine a woman inore surprised that he can be a said she requested by the policy of the dead of the part of the same here at the request of the coroner levy, and we kept the proposed by the policy of the dead girl at the following the preceived by the dead of the proposed by the proposed by the propos Robert Frazer has produced the farcecomedy which he has been writing for Evans
and Hoey. He has called it, "Six of One
and Haif a Dozen of the Other."

Thomas W. Keene, the tragedian, will devote himself to the West next season, and in
all probability will not come East at all. It
is said on good authority that Mr. Keene
will retire very soon. He has always declared that as soon as he had enough money
to live upon in comparative comfort, he
would give up active work. If a number of
Mr. Keene's professional sisters would do
likewise, what a blessing it would be. "A
great genius should not linger too long
either in the wurld or in the salon. He
must quit each with eclat, "asys Bulwer.

Robert McWade, the "Rip Van Winkle"
actor, is back in the city. Mr. McWade has
been absent for six months in Australia,
where he played for a number of weeks. He
went there without dates or plans, and was
very kindly treated. In his pocketbook he
has a collection of notices that are decidedly
flattering. One paper called him the greatest actor that America had ever sent to Ausfalia. Mr. McWale wanted to have produced his new play. "The Rosicruzians,"
but was unable to do so.

the finding of his dead body in the Ronnoke
River, near Welden, N. C.

Two colored men, rowing on the river yesterday, found a body floating slowly down stream. They towed it ashore, and the lotted officials notified Mr. Waiker's friends.

His money and papers were intact, and a broken fish-pole was held in his hand.

Mr. Waiker was thirty-one years old and was born in New Haven, Conn. He graduated from Williams College in 1876, and taughts school in this city for a year afterwards.

Then he became clerk for Harper Brothers, and finally rose to be associate editor of the Monthey Rogazine. He has been connected with the Commopoliton for three years.
